Invitation To Bid - ITB

Dear Madam / Sir:

With reference to the above reported Subject, *given that*:

- with **Resolution Act nr. 209**, dated **9th of November 2020**, the Director of the contracting authority issued a preliminary "awarding decision" within the framework of a "*negotiated procedure without prior publication of a contract notice*", aimed at entrusting you with the supply of a set of **45 low noise amplifiers**;
- a "*Voluntary ex ante transparency notice*" has been sent today at the **Official Journal of the European Union**;
- your Company has been selected as the sole Supplier which would be able to manufacture and provide the electronic components which have the technical specifications requested by INAF as reported by the PON-OR2-02-SOW document;

the Contracting Authority issues this ITB aiming at understanding if your Company is interested to apply for this contract, just inviting you to send /submit/upload the mandatory documentation strictly required by INAF.

Therefore, the following documents were sent to you through the electronic platform “U-Buy”, at <https://inaf.ubuy.cineca.it/PortaleAppalti/it/homepage.wp>, where you are kindly invited to *log-in* in order to retrieve:

Doc.	Document name	Note
1	PON-OR2-02-SOW.pdf	Statement of work – Performance and Technical specifications
2	PON-OR2-02-TSP-ITA.pdf	Tender specifications (in Italian)
4	PON-OR2-02-TSP-ITA-All_2 LAct.docx	Liability act in MS Word format
5	PON-OR2-02-TSP-ITA-All_1 ESPD	ESPD document in MS Word format

Your Company is then invited, whether interested, **to answer to this ITB, submitting a bid** for the supply of the LNAs.

The expected deadline for submitting a bid will be **November 17th, 2020, 15:00 CEST**

After that date, the contracting authority will review the uploaded documents in order to assess whether they are compliant to the Italian Public Procurement rules which must be satisfied in order to have a contract awarded.

For any question, the Officer in charge of this procedure, Ignazio E.P. Porceddu, can be contacted through the U-Buy communication area or, in case of severe troubles, at the email address ignazio.porceddu@inaf.it.
