SRT: On-site error analysis
Proposal N°: 2025095A

Dear Mr. Poppi,

With reference to your e-mail dated November 14th, 2025 we are pleased to offer you an on-site error analysis, which comprises the following:

2 electricians, 4 days (including travelling), fault analysis and a final report for evaluating further steps.

Price for this work package is **€ 14.500,-**.

The commencement of the execution period shall be subject to mutual agreement and may not commence prior to the year 2025.

The above-mentioned net price is firm fix in Euro. Not included are any non-German fees, taxes, customs etc. If for any reason those fees are applicable this has to be borne by the purchaser.

The invoice will be issued after finalization of the service. Payment shall occur maximum 30 calendar days after reception of the invoice, without any deduction to our bank account.

The proposal is based on General Terms and Conditions of Sale and Delivery of OHB Digital Connect GmbH.

Our proposal is valid until 31st January 2026.

For further information, please do not hesitate to contact us.

Kind Regards,
OHB Digital Connect GmbH
